

Invitation to the evening program of the FQMT'24 conference

We would like to invite you to the concerts and public lectures organized on the occasion of the Tenth International Physics Conference

“Frontiers of Quantum and Mesoscopic Thermodynamics” (FQMT'24).

We would like to invite you:

- On July 23, 2024 (Tuesday) at 3:30 p.m for public lecture by Peter Hänggi on the Brownian motion and its role in various fields of science, in the Lecture Hall of the Pyramida Hotel in Prague-Břevnov;
- on July 23, 2024 (Tuesday) at 5:45 p.m for two public lectures by Theo Geisel and Allen Hermann presenting views of physicists and active musicians on music, in the Lecture Hall of the Pyramida Hotel in Prague-Břevnov. The lectures will be followed by a jazz concert;
- on July 24, 2024 (Wednesday) at 7:00 p.m., for a classical music concert in the Church of Our Lady before Týn in the Old Town;
- on July 25, 2024 (Thursday) at 6:30 p.m., for public lecture by Nobel Prize laureate, John C. Mather on James Webb Space Telescope, in the Lecture Hall of the Pyramida Hotel in Prague-Břevnov. The lectures will be followed by a classical concert;
- on July 26, 2024 (Friday) at 8:30 p.m., for a classical music concert in St. Margaret's Church at the Břevnov Monastery.

Considering the capacity of the halls, we ask those interested in the events to make a reservation on the website:

fgmt.fzu.cz/24/regis/

You can view there the detailed programs of the events.

In your reservation, please state the number of accompanying persons for each event separately. After you register, you will receive a personalized ticket by email; the ticket is for you and your accompanying person(s). Please print out your ticket. You will receive the program at the entrance to the event.

Admission to the events is free.
